All-In-One

- Export with DHL Web Shipping
- Import with DHL Import Express Online
- Track and Monitor with DHL ProView

MyDHL

Discover new importing and exporting shipping efficiencies.

MyDHL is your complete online shipping management solution. You'll reduce costly handwritten errors and unnecessary paperwork. Set your personal shipping preferences to decrease repetitive steps and receive automatic updates to stay informed. Keep your account numbers completely confidential while managing multiple user access and rights. Simplify communications between shippers and receivers with pertinent shipment details summarized in email for both of you.

MyDHL: EFFICIENCY AND CONTROL

- Set your preferred home page
- Allow access for multiple users
- Define each user's rights
- Request and manage accounts

FASTER EXPORTING

- Prepare waybills online
- Store shipper and receiver addresses
- Create electronic Customs documents
- Schedule pickups

SAFER, SIMPLER IMPORTING

- Keep your account number confidential
- Control your shipment processing
- Coordinate effective communication
- Provide detailed shipping instructions

MORE ORGANIZED TRACKING

- Monitor all Express shipments in transit
- Know each shipment's current event status
- Request automatic notifications be sent via text or email
- Choose when, how and which event notifications are sent

Next Step
